Dear Sir:

REQUEST FOR CERTIFICATE OF CORRECTION

It is respectfully requested that a Certificate of Correction be issued for U.S. Patent No. 6,713,943 B1, issued March 30, 2004, for the purpose of correcting errors contained in the patent.

Attached in duplicate are Forms PTO-1050 (PTO/SB/44), with at least one copy being suitable for printing.

AUG 27 2004

The printing errors contained in U.S. Patent No. 6,713,943 B1 are set forth below:

Column 8, line 48, " $\omega^2 = K/(\mu L/3) = K/(m/3)$ " was incorrectly printed by the Patent and Trademark Office as " $\omega_2 = K/(\mu L/3) = K/(m/3)$ ". (See line 18 as presented on page 18 of the specification of the application as filed on June 9, 2000).

Column 15, line 65 "10' having" was incorrectly printed by the Patent and Trademark Office as "10' having". (See lines 13 and 14 as presented on page 34 of the specification of the application as filed on June 9, 2000).

Column 16, line 9, "10' advances" was incorrectly printed by the Patent and Trademark Office as "10' advances". (See lines 22 and 23 as presented on page 34 of the specification of the application as filed on June 9, 2000).

Column 21, line 6 (claim 5, line 18), "the" was incorrectly printed by the Patent and Trademark Office as "die". (See line 14 of application claim 6 as presented on page Appendix A-2 of Patentees' Brief for Appellant, mailed to the Patent and Trademark Office on August 8, 2003). Note that before issuance of the patent the Patent and Trademark Office renumbered application claim 6 as patent claim 5.

Column 21, line 63 (claim 8, line 9), "an" was incorrectly printed by the Patent and Trademark Office as "un". (See line 8 of application claim 9 as presented on page Appendix A-4 of Patentees' Brief for Appellant, mailed to the Patent and Trademark Office on August 8, 2003). Note that before issuance of the patent the Patent and Trademark Office renumbered application claim 9 as patent claim 8.

Column 24, line 5 (claim 13, line 38), "first" was incorrectly printed by the Patent and Trademark Office as "fist". (See line 26 of application claim 14 as presented on page Appendix A-6 of Patentees' Brief for Appellant, mailed to the

Patent and Trademark Office on August 8, 2003). Note that before issuance of the patent the Patent and Trademark Office renumbered application claim 14 as patent claim 13.

Column 24, line 15 (claim 14, line 8), "first" was incorrectly printed by the Patent and Trademark Office as "fist". (See line 6 of application claim 16 as presented on page Appendix A-7 of Patentees' Brief for Appellant, mailed to the Patent and Trademark Office on August 8, 2003). Note that before issuance of the patent the Patent and Trademark Office renumbered application claim 16 as patent claim 14.

The foregoing errors occurred in the printing of the patent, and thus constitute errors made by the Patent and Trademark Office.

Please issue a Certificate of Correction and transmit the Certificate to the attorney whose signature and address appear below.

Respectfully submitted,

By: _____
